

Client-Practitioner Agreement for Energy Work

I, _____ understand that
<Client's full name printed>

Energy Work Modalities including Emotional Freedom Techniques (EFT®), The Emotion Code®, Matrix Energetics®, Fast Relief of Emotional Energy Drain (FREED) and surrogate muscle-testing have produced remarkable clinical results for animals and humans, but they must still be considered to be in the experimental stage, *not a replacement for a doctor's care or veterinarian's care* and thus I, as the Client, take complete responsibility for:

- (1) My and my animals' energy work and coaching results
- (2) All physical, emotional, mental effects of this energy work and coaching
- (3) All use of these energy work modalities with Colleen M. Flanagan, EFTCert-I, or any energy therapy use on my own and/or with other individuals and/or animals.

I understand that Colleen M. Flanagan, EFTCert-I is not a licensed health professional and uses all energy work modalities and muscle testing as a peak performance and stress relief coach for people, their pets and livestock.

I allow Colleen M. Flanagan, EFTCert-I to record my name, summary case information and date of visit as one of her Clients for legal and tax reasons. I understand that my name and personal information will never be disclosed or made public; but that basic case information may be used with pseudonyms for training purposes.

I accept Colleen's fees as stated below:

Hourly Phone Session Fee: I agree to prepay via PayPal (or personal check) one of these single session or multiple session package fees: \$150 for 1 hour, \$280 for 2 hours, \$390 for 3 hours or \$480 for 4 hours. If I qualify for the military, veteran or over 65 senior discounted sessions of \$120 each, I will notify Colleen so she can email an individual PayPal invoice to me. (Above fees are in US dollars.)

I understand that my first session cannot begin until Colleen has this signed, dated agreement in her possession. Before my first session, I will become familiar with any Energy Work instructions that Colleen emails to me and to which we'll refer to during the session. Long distance calls will be at my expense. Additional time over 60 minutes may incur additional charges.

♥ Referral Bonus ♥: If I refer two people who become Colleen's Clients and pay Colleen for at least one session each, I will receive a free 60-minute phone session (not transferable to another person) with Colleen.
